EMERGENCY INFORMATION

All runners must complete their details on the reverse of the running number at race registration on race day. If you have any pre-existing medical conditions, it is particularly important that you do this. If you don't, we won't know. If you have any doubts as to your health, please don't run as this course has some challenging hills.

REFRESHMENTS

Free water and Little Ox Brew Co beer will be available at the finish. Hot food and cakes will be available to purchase, as well as hot & cold drinks so please bring money to support our vendors!

RUNNING NUMBERS

You will need to pick up your number on the day so please arrive in plenty of time. The number should be securely fixed to the front of your vest. Do not fold, cut down or deface your number as this may lead to disqualification. Do not give your number to another runner without formal agreement from the Race Director.

NUMBER SWITCHING/REFUNDS

You can transfer your entry to another runner via the Race Nation website or app up to the entry deadline of **24th August**. Get in touch if you have any queries. Running under another runner's name will result in disqualification.

MEDICAL FACILITIES

There will be qualified first aid cover and an ambulance. The Medical HQ will be located close to the finish area at Race HQ. The course marshals are available to report casualties to Medical HQ.
